

I do not under any circumstances want media corporations to be able cross consolidate and own both a tv station and a newspaper in the same geographic area. As a registered voter I urge you in the strongest terms not to repeal the present ban on this practice. If you repeal the ban on cross consolidation in the media, the citizens of the United States will hold you responsible for allowing our tv stations and newspapers to become little more than a propaganda machine espousing the opinions of a privileged few.

Sincerely,
Gabriel Marchino
